Alumni of the month

The Alumnus of the Month is about the featured alumni of Tishk International University who makes an exceptional contribution to his/her field of expertise and society, or who is an outstanding figure in the community. It is also about those alumni who participate in the social projects and continue to promote academic and social achievement.

Alumni Reunion

As the Alumni Office, we are seeking to help our graduates grow personally and professionally under the university umbrella. For that purpose, we spent quality time with our alumni from all faculties. The benefits of reunion went away beyond having the pleasure of gathering and meet old lecturers and classmates. After having a great and enjoyable negotiation about their academic life during the university, we give information about the vision and mission of our center. We, as TIU are always proud of our graduates that are serving the society in different sectors of life.

CV Bank

CV BANK is an online data bank for job seekers. The platform offers job seekers the opportunity to submit their CVs to seek for potential vacancies as we distribute the CVs to related employers and companies. You can click on the link blow to send your CV.
