# TIU Celebrates International Women's Day

In collaboration with the Deanery of Students, Tishk International University (TIU) organized a celebration ceremony to honour International Women's Day, held on March 7th, 2024. The event took place at TIU, in the presence of President Professor Dr. Sultan Orabi, Vice President for Scientific Affairs Assistant Professor Dr. Mehmet Ozdemir, and the Director of Administrative and Financial Affairs, Dr. Fateh Jura, along with our Deans, Heads of Departments, Assistants, Research Assistants, and Lecturers. This gathering was a tribute to the extraordinary achievements of women around the globe

The ceremony commenced with a warm welcome speech by Professor Dr. Sultan Orabi. During the event, attendees were graced with the distribution of roses and sweets, followed by a cake-cutting ceremony. The program concluded with a sense of fulfillment, and Tishk International University was proud to acknowledge and appreciate the participation of all staff members

International Women's Day is a global observance that celebrates the social, economic, cultural, and political achievements of women. It also serves as a call to action for accelerating gender parity and advocating for women's rights. Recognized annually on March 8th, this day emphasizes the importance of creating a more gender-balanced world, where every woman can live freely, without facing discrimination or limitations on their ambitions

Tishk International University (TIU) celebrates International Women's Day to highlight its commitment to gender equality and women's empowerment within the academic community and beyond. By recognizing this day, TIU aims to inspire students, faculty, and staff to acknowledge the important role women play in the advancement of society and to continue fostering an environment that supports and celebrates women's achievements
